

FUSTIC

FUTURE SUSTAINABLE TERRITORIES, INFRASTRUCTURES AND CITIES

MISSION and VALUES of the ASSOCIATION

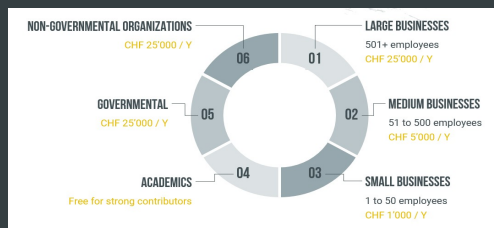

Connecting academics, governments, corporate, public and non-for-profit organizations to **address** the challenges of digitalization and sustainability.

Unlock the full potential of digital solutions, **inspire** a culture of innovation, excellence and transformation, and **offer** viable solutions to our ecosystem & global markets, science and innovation at the service of society.

Bring innovations to market, **foster** market adoption, **leverage** Swiss network of experts, **co-create** solutions for high-impact, and **provide** an exclusive and global ecosystem.

Using a process-oriented approach to **support** digital technology and business models creation that will **solve** key economic, industrial, urban development and climate challenges for a sustainable future.

MEMBERSHIP

National Thematic Network (NTN)

"Future of Cities and Territories"

FUSTIC presents a NTN **Innovation Booster** (4y duration), powered by Innosuisse, i.e. the primary stage of a **multistage open innovation process** that provides the main impulse for launching innovation ideas (60/y), accelerating cooperation and generation of innovative projects.
